

# NW Fentanyl OD Investigations Working Group

## JOIN US

Sessions will be held at 1100 - 1200 on:

- February 20, 2025
- May 22, 2025
- July 24, 2025
- October 16, 2025

## ABOUT

Please join us for the NW Fentanyl OD Investigations Working Group. By joining the Working Group, you will have access to discussions with other investigators and analysts working overdose cases across the state. You will also have access to quarterly meeting sessions hosted at Northwest HIDTA and broadcast over Teams for remote attendance.

## DETAILS

The NW Fentanyl OD Investigations Working Group is presented and facilitated by Northwest HIDTA.

- Sessions will be hosted in person in the Northwest HIDTA training room, with an optional remote attendance link.
- Hosted quarterly with guest speakers and subject matter experts.
- Focused in Washington State, but open to all!

## FACILITATED BY

Det. Kevin Kingsley (WSP, DEA TFO)  
Analyst Matthew Croft (HIDTA/CDP)

## TO JOIN

To join the Working Group or receive meeting information, contact Matt Croft at [mcroft@nw.hidta.org](mailto:mcroft@nw.hidta.org), 206-472-2743. Alternately, if your agency's IT systems allow, [click here to join](#) the Working Group directly. Meeting details and links for remote attendance are located on the Working Group's home page. *If you plan to attend in person at the Northwest HIDTA training room, please RSVP to Matt Croft.* For questions about the group or being a presenter, contact Detective Kevin Kingsley, [kevin.kingsley@wsp.wa.gov](mailto:kevin.kingsley@wsp.wa.gov), 206-255-4249.
